Dear Chair Granger and Ranking Member DeLauro,

I am requesting funding for Carroll County, NH Infrastructure and Construction for Future Development in fiscal year 2024. The entity to receive funding for this project is in the Carroll Mount Washington Valley Habitat for Humanity, located at Settlers Green 2 Common Ct # C31, North Conway, NH 03860. The funding would be used by the Mount Washington Valley Habitat for Humanity for roadway construction, utility installation, well and waterline installation, and drainage measures for a planned 13-unit development. The project is an appropriate use of taxpayer funds because it will help provide affordable housing to residents and address the local labor shortage.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Chris Pappas".
